# ABOUT YOUR ARRIVAL

## Check-in & Check-out

To ensure you can settle in comfortably and find everything in order on your day of arrival, we prepare your booked pitches or rental units in advance. Therefore, your pitch will be available from 2:00 p.m. onwards.
On the day of departure, you may stay on your pitch until 12:00 noon at the latest, and in rental units until 11:00 a.m. at the latest.

Would you like to drop by spontaneously or make a stopover with us soon? We'd be very happy to have you. To make sure you get a pitch, please make a reservation in advance via our website. You can go directly to the booking form here.

# ABOUT YOUR ARRIVAL

## Entrance and exit

From 6 a.m. to 10 p.m., you may freely use the entrance and exit barrier of our campsite at any time during the day.

## Rest and quiet hours

From 10 p.m. onwards, the campsite can no longer be accessed by vehicle, as quiet hours apply until 6 a.m. We kindly ask you to behave quietly and respectfully during this time. Our campsite is meant to be a place of retreat for both people and animals. To ensure everyone can enjoy the best possible relaxation, music may only be played via non-amplified devices such as smartphones.

# ABOUT YOUR ARRIVAL

## Teens and young people travelling on theier own

We are pleased to welcome young guests to our campsite. If teenagers aged 16 and 17 wish to stay with us on their own, we kindly ask that they bring a written consent form signed by their legal guardians, as well as their own ID card, and present both at reception upon arrival.

To make it easier for guardians to provide this consent, we have prepared a pre-made form that can be downloaded here.

Children under the age of 16 may only camp when accompanied by a legal guardian.

# ABOUT YOUR ARRIVAL

## Guest card

At check-in, you will receive a guest card upon payment of a €10 deposit. This card allows you to open the entry and exit barrier of the campsite as well as the entrance doors to the two sanitary facilities. It also grants you access to the recycling area, which is located in the campsite parking lot (P6).

To ensure your holiday can begin quickly on the day of arrival, we kindly ask you to inform us of the number of guest cards you require when making your booking.

## Washing Machines & Dryers

To make it easier for you to travel light, you are welcome to use our washing machines and dryers for an additional charge. These are located in the basement of the South sanitary building as well as in the “Service Facilities” building. Laundry tokens can be purchased at reception. Please remember to bring your own detergent, so you can choose the scent you like best.

## Environmental Protection, Waste and Garbage Disposal

To ensure that everyone feels comfortable at the campsite, you can dispose of your residual waste, glass, and paper separately at the recycling centre located in the campsite parking area (P6) (access only with a guest card). Please also use water and electricity responsibly for the sake of the environment. The nature in which you are camping will thank you.

# SETTLE IN & GET COMFORTABLE

## Sauna

A little wellness is of course also part of the experience. On Mondays, Wednesdays, and Fridays, you can enjoy our Finnish sauna (90°C) and bio sauna (65°C) in pleasantly warm temperatures from 5 to 8 p.m., upon request and for groups of four or more. You can find the prices in our current price list.

## BBQs & Campfire Areas

Barbecuing is of course part of camping. However, there is a risk of fire during the summer months. We therefore ask you to exercise extreme caution when grilling and lighting fires. Barbecues are only permitted on your own portable grills and in the designated areas. Please remember to bring your own charcoal or firewood.
On our family tent pitches, at the "Buffalo Valley" tent area, at the rental caravans, and at our youth and group campsite, there are pre-installed fire pits with grill grates available for use. The Fairytale Houses are also equipped with their own central located group barbecue area.

# SETTLE IN & GET COMFORTABLE

## Food & Beverage

On holiday, you may not always feel like cooking. In that case, you can treat your taste buds at one of the many restaurants by the lake and in the surrounding area. You have plenty of choice when it comes to dining options around Lake Bostalsee: Café Seele in Bosen, KostBar am See next to the tourist information office on the Bosen lakeside, Marie-Luise & Jypsie's in Bosen, Merker's Bostal Hotel & Restaurant in Bosen, Beachclub Bostalsee at Bosiland, Zelfies Food to you in Eckelhausen, Landhaus Mörsdorf in Neunkirchen/Nahe, Oldenburger Hof in Selbach, SolLuna Club on the beach area in Gonnesweiler, restaurants in the Market Dome of Center Parcs in Gonnesweiler, TAPP Gastronomie Römerhof in Gonnesweiler, and many more.

You can find further dining establishments in the Sankt Wendel region here.

# SETTLE IN & GET COMFORTABLE

## Bakery

Nothing beats fresh bread rolls in the morning. At the entrance area of our campsite, you will find a bakery run by the Gillen company with a small self-service shop. You can check the opening hours on the entrance door of the bakery.

## Grocery Stores & Supermarkets

If you do feel like cooking, you will find the nearest supermarkets in Türkismühle (Edeka and Netto) as well as in Tholey (Edeka, Lidl, Aldi), where there is also a drugstore (dm). If you happen to forget something while shopping, there is also a small supermarket on the opposite side of the lake in the Market Dome of Center Parcs, where you will find a limited selection of products.

# NON-STOP FUN

## Beach areas Lake Bostalsee

Strolling through warm sand with your feet and then sprinting into the cool waters of the lake – that's what a day of your holiday at Lake Bostalsee could look like. During the bathing season, you can choose between two beach areas: Bosen and Gonnesweiler.
At the Bosen beach, you can show off your skills on one of the four volleyball courts or get your adrenaline rush on the 25-meter wave slide. There is also a playground waiting for small kids. Afterwards, you can taste your way through the snack options right in the beach area.
At the Gonnesweiler beach, a volleyball court, a playground and a beach bar (SolLuna Club) are also waiting for you.
Please note that, for fire safety reasons, it is not permitted to bring shishas (hookahs). Barbecuing is also not allowed in the beach areas. Therefore, bringing your own grills as well as any open flames is prohibited. This applies not only to the beach areas but to the entire environment at Lake Bostalsee.
Dogs are also unfortunately not allowed in the beach areas.

# NON-STOP FUN

## Water sports

Lake Bostal is an Eldorado for water sports enthusiasts: cruising on a sailing boat, paddling on a stand-up paddle board, wing foiling, gliding across the water on a surfboard, diving to the bottom of the lake in full diving gear, or sailing across the lake in various types of boats available for rent.

If you would like to learn surfing or stand-up paddling, you can sign up for courses at Lakeride Bostalsee. For sailing lessons, you can register at the Saarland Sailing School of the Saarland Sailing Association. Wing foiling courses are also offered by Lakeride.

# NON-STOP FUN

## Boat hires

Two sides of the lake – two boat rental stations. On both sides of the lake, Bosen and Gonnesweiler, you can choose between pedal boats and electric boats for rent. However, rowing boats and paddle boats are only available at the Bosen boat rental.
Please understand that dogs are not allowed on the boats, and a deposit item (e.g. your driver's license, health insurance card, etc.) is required to rent boats at Bosen.
You can find the opening hours and terms and conditions of the Bosen boat rental here.

Click here to go to the Gonnesweiler boat rental – the Cycle Center of Center Parcs.

# NON-STOP FUN

## Play areas and attractions for our little guests

Slides, swings, and non-stop fun for kids around the lake. Whether it's on one of the playgrounds at the beach areas, the adventure playground on the festival meadow in Bosen, the indoor play paradise Bosiland, the children's farm, indoor playground or bungee trampoline at Center Parcs, or the new water playground at the lakeside promenade in Bosen.
How about a game of footgolf with the whole family? If you prefer mini golf, you'll be spoiled for choice when deciding which course to play. The indoor course at Center Parcs is a great alternative in bad weather, while the outdoor course there (registration at the Center Parcs reception) and our 12-hole course (clubs and balls available at our reception) are waiting for you and your fellow players in good weather.
If you ever want to change your perspective, a visit to "The Upside-Down House" in Gonnesweiler is highly recommended.
For a relaxed and leisurely experience, you can go on an exploration tour around the lake area with the whole family on the "Rote Emma" (Red Emma) sightseeing train (registration at the Center Parcs reception).

# NON-STOP FUN
